Full set of 14 x 7 American Racing Wheels For Sale

Vintage American Racing wheels

Full set of 14 x 7" with 5 x 4.5" bolt pattern. These are definitely old. I believe they are from the late 1960s or early 1970s. As you can see in the one photo, some additional machining was done on each hub. I believe that was a common modification so that they would fit disc brake-equipped cars. There are a few center cap bolts that will have to be drilled out and re-threaded.
